APRIL 19TH CAUCUS STARTS PROCESS THAT ENDS WITH THE NATIONAL CONVENTION

On April 19th, at noon, the Fauquier County Democratic Committee will have its Caucus to select delegates to attend the District Conventions in May. If you would like to run for delegate you must visit the Fauquier County Democratic Committee website www.fauquierdemocrats.org and obtain a filing form.

You must complete the form and return it no later than 5 p.m., April 14th. If you have any questions, or need a copy of the form, please contact your Committee Chair, David M. Roos, at 540-272-9257.

Only forms that arrive at P.O. Box 170, The Plains, VA 20198 or by email to chair@fauquierdemocrats.org or DavidMROos@aol.com by the April 14th deadline will be accepted. The caucuses will be held the following Saturday April 19th, at noon, at 10 Hotel Street, Warrenton, Virginia.

All members are welcomed to vote for candidates who have met the filing requirements. The winners will go to the May District conventions as delegates.

For more details on the April 19th Caucus see the Call To Caucus posted on the FCDC website or contact David M. Roos at 540-272-9257.

Selection by vote on April 19th as delegate to the District Convention is only the first step in the long and competitive selection process for National Democratic Convention delegates.

The February Democratic Primary in Virginia resulted in 54 pledged delegates for Senator Barack Obama and 29 pledged delegates for Senator Hillary Clinton. Our Fauquier Committee has the opportunity to send delegates to the Congressional District Conventions in May to select 54 delegates and 11 alternates. An additional 18 at large delegates, 11 party leader and elected official delegates plus three alternates, and two un-pledged add-on delegates will be elected at the Virginia State Democratic Convention in June, 2008.

The Democratic Party of Virginia State Convention is scheduled for June 14, 2008 at the Hampton Roads Convention Center in Hampton. The National Democratic Convention will be held August 25-28, 2008 in Denver, Colorado.

Recently, we have been focusing on reaching out to the African American community and on increasing the number of young and ethnic voters in our community. However, if we are to reach our immediate and long term goals, we need the support of the many democrats in our community.
